Welcome to Walker!

May 14, 2017

Her children arise up, and call her blessed;
her husband also, and he praiseth her. Prov. 31:28

From the Pastor

Proverbs 31:30

Favour is deceitful, and beauty is vain:

but a woman that feareth the Lord, she shall be praised.

Good morning and welcome to Walker Bible Baptist Church. A Happy Mother's Day to many of our ladies today!

This morning, we will consider some moms in the Bible. Perhaps you have a mom like these; have you thanked God for her? Maybe you could strive to be a mom like these... then this morning you could ask the Lord for help.

God has wisdom and direction for every area of our life. Consider yielding to His Word and His Spirit today!

Pray for our Missionaries!

Please pray for Roy Sietmann and family in Mexico, and for the decisions made by the teens at camp, and the continued construction on the new church.

Pray for Ed Bauman and family in Puerto Rico, as he and Jackie begin language classes shortly. Continue to pray for Lily, as she does stretching exercises with burned her hand, to keep her new skin flexible.

Also, pray for continued spiritual growth for Bjorn, a young man that Ed is working with, and the especially the school situation in Puerto Rico, due to the financial bankruptcy of the island. They will be closing 184 more public schools.

Wondering what's going on in the lives and ministries of our missionaries? Please check out our Missionary Binder on the Table, which has the most recent letters sent by the different missionaries that we support around the world.

Ladies' Fellowship

Our ladies are getting together tomorrow night at 6:30pm for some food, fun and fellowship, and Mrs. Parrett and Mrs.

Knaub will be speaking. Ladies, please sign up at the table, if you'd like to attend!

Anniversary Sunday

Our Anniversary Sunday with Dinner on the Grounds is in a few weeks. Please mark your calendar and think about which 'dish to pass' you should bring!

Youth Choir Practice

We will have Youth Choir Practice on Sunday May 21st, at 5pm, before evening service. Don't miss it!

LOBA Schedule

Our kids at LOBA are almost done for the school year! High School Graduation this year is June 11, during our Sunday night service.
